Steaks Of Excellence

## Thursday Chateau Club

Here at Ounce we are unique in the dining experience by offering hand crafted, personalised beef cuts. Master Butcher Gerald passed on decades of knowledge to our guys upstairs. He discovered his passion and trade supplying the Midlands' favourite restaurants and now our butcher chefs provide you with only the very best produce and service – from block to table

High quality, expertly sourced beef, combined with Ounce butchery (and a nice glass of wine) will make for a unique top rate dining experience
